Dear Council Member;

J-94-04-23

Before you is an ordinance requesting approval for the following equipment with a total cost of \$575,869.00.

1. 3 Navistar Fire Pumpers. The total cost of the new pumpers is \$305,204.00. This purchase will be replacing one 1972 and two 1975 pumps. This purchase is part of the on going pump replacement do to the age wear and tear of the current pumps. The bid was awarded to Luverne Fire Apparatus in Brandon, SD. They were awarded the bid last year for the purchase of a pump and the same price is still in effect.
2. One 1994 Ford E-350 with a 15' Supreme Body. This purchase will be used for the SCUBA Truck and will be replacing a 1974 Truck. The cost of the new vehicle is \$23,782.00. The bid was awarded to Allen County Ford. They were the lowest and most responsive of the two bidders.
3. 1 set of 6 electro-mechanical lifts and 1 set of 4 support stands. The total cost of the new jacks and stands is \$46,883.00. This purchase will allow the fire shop to lift the Fire Trucks in the air to make the necessary repairs. The bid was awarded to All Automotive Equipment in Spring Lake, MI. They were the lowest and most responsive of three bidders.

Funding for this equipment is through the 1994 Hoosier Equipment Lease Purchase Program. Lease time is 5 years. The Fire Department budget has money available for the lease payments.

Sincerely,
